

Career Opportunities in Maritime Training for CHIEF ENGINEERS and MASTER MARINERS at Great Eastern Institute of Maritime Studies (GEIMS), Lonavala

- Are you passionate about maritime education and training?
- Do you believe that excellence in pre-sea training inculcates the development of correct attitude, behavior and professionalism of trainees.
- Do you want to be a Faculty Member of a Maritime Institution owned and run by a large Shipping Company ?

Great Eastern Institute of Maritime Studies (GEIMS) a vision of India's largest shipping company - The Great Eastern Shipping Company Ltd., Mumbai, is a state of the art Maritime Training Institute at Lonavala, sprawled over 18 acres of lush green land surrounded by hills. The Institute has excellent infrastructure including ECDIS Station and 4 state of art Simulators and several modern training equipment.

The Institute offers DGS/IMU approved courses for Mechanical Engineers to specialize in marine engineering- Graduate Marine Engineers (GME), Nautical Cadets for Diploma in Nautical Science (DNS) courses and for Electro-Technical Officers (ETOs) with the aim to create a pool of professionals who will emerge as marine engineer , world class nautical, officers and Electro-Technical Officers on ships. The institute is graded as A1(Outstanding)under Comprehensive Inspection Programme of Directorate General of Shipping.

The Institute is looking for Marine Engineering and Nautical Faculty at their Campus. The applicant should have an MEO Class 1 Certificate of Competency or Master of Foreign Going ships with sufficient professional experience in rank. Persons with experience on Tankers and/or relevant teaching experience in maritime institutions will be given preference.

GEIMS offers attractive salary and additional benefits like furnished family accommodation within the campus, medical and telephone reimbursement, 30 days annual paid leave, annual holiday- home facility etc. We also encourage the faculty in development of their skills as well as their technical knowledge.

If you are keen to make a career in maritime education and training as a team member of a highly professional and motivated group now is the time to decide.
